

**GIBSON D. LEWIS HEALTH SCIENCE LIBRARY
UNIVERSITY OF NORTH TEXAS HEALTH SCIENCE CENTER
UpToDate Mobile App Instructions**

1) Locating UpToDate

Go to the library homepage by clicking [here](#). Choose UpToDate from the database dropdown menu in the center of the page and hit go.

2) Verify your UNTHSC credentials

When prompted enter your UNTHSC assigned EUID and password. Once UpToDate populates, verify that you are connected to the UNTHSC subscription. If you see *Welcome University of North Texas Health Science* in the top right-hand corner, you are connected and ready to search.

3) Register for an UpToDate Account

In order to use the UpToDate mobile app you will first need to register for an UpToDate account on the website. To do so, click "Log In/Register" on the far right and follow the prompts to create your account.

Note: You should not be prompted for payment. If you are, please verify that you see the UNTHSC name next to Log In / Register.

4) Download App from Mobile App Store

Go to your mobile device app store, search for UpToDate and download the app.

UpToDate Mobile App Instructions**

Once downloaded, open the app on your mobile device and find the login option. Enter the login information you just created on the website version of UpToDate. Once you enter that login, you will be connected to the UNTHSC subscription. If you are prompted for payment, please check that you are using the correct login information that you create on the website version and try again.

You are now ready to search in both the web version and mobile app.

5) Verifying your UNTHSC affiliation

Every 90 days UpToDate will require you to log in to your account via the website in order to verify you are still affiliated with UNTHSC. To do this please go to the [library website](#) and locate UpToDate in the dropdown menu. Login to your UpToDate account.

If you run into any issues with the download process, please contact the library at AskALibrarian@unthsc.edu or (817) 735-2070.
